

# Nikon®

## AI-S Nikkor 45mm f/2.8P

*Special Edition ultra-compact Nikkor lens*

*Included accessories  
HB-35 hood and  
52mm NC filter.*

- Special silver finish matches silver FM3A & other select SLR cameras. Includes matching HB-35 lens hood, NC filter, plus front & rear lens caps.
- High-performance Nikon Super Integrated Coating reduces flare while increasing contrast.
- Built-in CPU for information exchange (P-type Nikkor) transfers information from lens to light meter and flash systems. Updating of classic Tessar design for manual focus applications.
- Compatible with all exposure modes of CPU-controlled Nikon SLRs (P-type Nikkor) as well as F3HP, FM3A and FM-10.
- Seven bladed rounded diaphragm for more natural out of focus highlights.

*Limited availability*
